Administrative Profile

Head of the Department of Social and Environmental Forestry. I have worked in various capacities in the former Department of Forest Resources Management; Faculty of Agriculture and Forestry; and University of Ibadan, Nigeria as follows:

- *Head of Department, Department of Forest Resources Management, University of Ibadan from 2012 to 2017;*
- *Quality Assurance Officer for the Faculty of Agriculture and Forestry, University of Ibadan;*
- *Representative of National Forestry Committee, Faculty of Agriculture and Forestry, University of Ibadan;*
- *Coordinator, Practical Year Training Programme (PYTP) and Students Industrial Work Experience Scheme (SIWES), Department of Forest Resources Management, University of Ibadan, from 2000 to 2008 with remarkable achievements;*
- *Member, Department of Forest Resources Management Postgraduate Committee;*
- *Secretary to Faculty of Agriculture and Forestry Newsletter Publications;*
- *Member, Faculty of Agriculture and Forestry Finance Committee;*
- *Member, Faculty of Agriculture and Forestry Curriculum Development Committee;*
- *Member, Teaching and Research Farm Committee;*
- *Member, Congregation in Senate, University of Ibadan, Nigeria;*
- *Member of Senate, University of Ibadan, Nigeria;*
- *Member, Senate Representative on Senior Staff Disciplinary Committee; and*
- *Member, Senate Representative on the Centre for Environmental Protection and National Resources*
- *Representative, Senior Staff Appointments and Promotions, Faculty of Renewable Natural Resources*

Professional Profile

- Accomplished academic and professional career reflect 20 years of experience in teaching, research and community service.
- Highly articulate and effective communicator with excellent research team-building and interpersonal relation skills and mentoring.
- Recognized as effective resource person, problem solver and creative team leader
- Impressive record of individual and collaborative projects, developing project proposals, implementing research projects and applying overall human resources expertise to impact accomplishment of strategic goals
- Prudent grant utilization and submission of project; technical reports on record time

Education

- *Ph.D. in Forest Policy and Economics, University of Ibadan, Nigeria, Department of Forest Resources Management, July 1999. THESIS: Forestry Sector Analysis for Macro-Economic Development of Osun and Oyo*

States, Nigeria.

- *M.Sc. in Forest Economics and Management*, University of Ibadan, Nigeria, Department of Forest Resources Management, April, 1994. DISSERTATION: *An Analysis of Socio-Economic Impacts of Timber Production in Ago-Owu Forest Reserve, Osun State.*
- *B.Sc. in Forest Resources Management*, University of Ibadan, Nigeria, Department of Forest Resources Management, December 1989. PROJECT: *A Management Plan for Gambari Forest Reserve in Oyo State. Period: 1989-1993 (A case study of Busogboro series).*
- *Diploma in International Environmental Law-Making and Diplomacy*, University of Joensuu, Finland, July 2006.
- *Diploma in Urban Management Tools for Climate Change*, IHS, Erasmus University, Rotterdam, The Netherlands, June 2012.

- **2016:** TETFUND Grant for Institution Based Research (IBR)
- **2012:** University of Ibadan Financial Assistance to Undergo a Training in Erasmus University, Rotterdam, The Netherlands.
- **2012:** University of Ibadan Financial Assistance to attend a Conference on ‘Climate Change, Deforestation and the Future of African Rainforests’, 3-8 January, 2012. University of Oxford, United Kingdom.
- **2008:** African Economic Research Consortium Sponsorship to attend the 20 Anniversary of AERC and present a Scientific Paper
- **2008:** Postgraduate Teacher’s Conference Grant.
- **2008** International Foundation for Science (IFS) Travel Grant to attend a Conference at Prague in Czech Republic.
- **2007:** Sida, FAO, ANAFE, ICRAF, IPIFE, KFS, COL, Embassy of Finland, AFORNET co-sponsorship to attend and present a paper at the First Global Workshop on New Perspectives in Forestry Education in September, 2007
- **2007:** University of Ibadan Senate Research Grant for Interdisciplinary Research.
- **2006:** Postgraduate School, University of Ibadan Subsidy to undergo a Training in International Environmental Law-Making and Diplomacy Course in Kwazulu-Natal University, Pieter Maritzburg, South Africa
- **2006:** The African Forest Research Network (AFORNET) Grant (*Principal Investigator*).
- **2004:** The Government of Switzerland, Indonesia, UNEP and INTERCOOPERATION Sponsorship to attend United Nations Forest Forum (UNFF) workshop in Switzerland and Geneva.
- **2004:** International Foundation for Science (IFS) Grant.
- **2003:** The African Forest Research Network (AFORNET) Grant (*Principal Investigator*).
- **2003:** The African Forest Research Network (AFORNET) Grant (*Collaborator*).
- **2003:** Swedish International Development Cooperation Agency (Sida), through support to The African Network for Agroforestry Education (ANAFE) World Agroforestry Centre (ICRAF) to attend and present a paper in February 2003 on ‘Rebuilding Africa’s Capacity for Agricultural Development: The Role of Tertiary Education’
- **2002:** University of Ibadan Senate Research Grant for individual Research.
- **2002:** M.K.O. Abiola Travel Grant for Postgraduate Teacher.
- **1998:** The African Academy of Sciences (AAS) Research Grant for Ph.D. Programme
- **1994:** Dr. (Chief) Lawrence Omole’s Foundation Scholarship for M.Sc. Programme (1992-1994)

Professional Affiliates and Membership of Learned Societies

- Member, Commonwealth Forestry Association (CFA)
- Member, African Academy of Sciences (AAS)
- Member, African Forest Research Network (AFORNET)
- Member, International Foundation for Science (IFS)
- Member, African Network for Agroforestry and Natural Resources Education (ANAFE)
- Member, International Society of Ecological Economics (ISEE)

- Member, Nigerian Conservation Foundation (NCF)
- Member, Ecological Society of Nigeria (ECOSON)
- Member, African Economic Research Consortium (AERC)
- Member, Forests and Forest Products Society (FFPS)
- Member, African Forest Forum (AFF)

Computer and Research Skills

- Good knowledge and experience in the use of Microsoft Excel (Spreadsheets), SPSS, STATISTICA Versions 5.0 and 7.0 and Microsoft PowerPoint.
- Good knowledge and experience of Organising Research in Renewable Natural Resources

Work Experience Record

Professor: 01 October, 2011 to Date

Associate Professor/Reader: 01 October, 2008 to 30 September, 2011

Senior Lecturer and Researcher, *Sabbatical Leave* with the Department of Forestry, School of Forestry and Horticulture, Njala University, Sierra Leone. 17 November, 2008 to 31 October, 2009.

Senior Lecturer: 01 October, 2005 to 30 September, 2008

Lecturer I: 01 October, 2002 to 30 September, 2005

Lecturer II: 27 July, 1999 to September, 2002

Assistant Lecturer: 02 June, 1997 to 26 July, 1999

Academic and Teaching Experience

- **Courses Taught at Undergraduate Level and Coordination**
 - (i) Forest Economics 1 (FRM 315): 1997 till Date
 - (ii) Resource Policy, Law and Administration (FRM 514): 1997 till Date
 - (iii) Special Project (FRM 520): 2000 till Date
 - (iv) Forest Institutions (FRM 531): 2016 till Date
 - (iv) Chairman, Practical Year Training Programme (PYTP) and Students Industrial Work Experience Scheme (SIWES)- (FRM 400): 2000 till Date
- **Courses Taught at Postgraduate Level**
 - (i) Organising Research in Renewable Natural Resources (FRM 712): 2005 till Date
 - (ii) Forest Policy Systems and Planning (FRM 741): 2005 till Date
 - (iii) Advanced Topics in Forest Economics and Management (FRM 747): 2003 till 2011
 - (iv) Agroforestry and Economic Development (MAF 714): 2006 till Date

Undergraduate and Postgraduate Project, Dissertation and Thesis Supervision

Completed: 30 B.Sc.; 28 M.Sc.; 1 M.Phil.; and 8 Ph.D.

In Progress: 4 Ph.D.

Interpersonal Relation Skills and Mentoring

- Developed strong Lecturer-Lecturer and lecturer-Student relationships for effective teaching and innovative research

- Demonstrated strong confidence in self and others with effective means of evoking purposefulness in teaching and research, and so generated high levels of motivation which have directly helped 6 postgraduate students under my supervision to be recipients of grants (AFORNET and IFS) and fellowships (ANAFE, ITTO and TBA) and some other postgraduate students indirectly benefited from Organizing Research in Renewable Natural Resources course that I teach for proposal writing as well as Dissertation and Thesis Reports

Research and Consultancies undertaken for Development at National and International Levels

S/N	Date	Organisation	Country
1	2001	Chevron Nigeria Ltd. and Environmental Managers	Nigeria
2	2002	Federal Republic of Nigeria and AROMA Consultancy	Nigeria
3	2003-2006	African Forest Research Network (AFORNET) with the support of Swedish International Development Cooperation Agency (SIDA)	Nigeria, Ghana and Niger
4	2003-2006	African Forest Research Network (AFORNET) with the support of Swedish International Development Cooperation Agency (SIDA)	Ghana, Nigeria and Cameroon
5	2003-2006	International Foundation for Science (IFS) with the support of Swedish International Development Cooperation Agency (SIDA)	Nigeria
6	2006-2009	African Forest Research Network (AFORNET) with the support of Swedish International Development Cooperation Agency (SIDA)	Nigeria and Ghana
7	2007-2008	Food and Agriculture Organisation (FAO) and Federal Republic of Nigeria	Nigeria
8	2008-2009	GLOBALBIOFUEL LTD	Nigeria

Task and Responsibilities for Consultancies and Research Projects

1. Forest Policy and Economic Analyst (2001)

- Conducted reconnaissance survey of the Mangrove earmarked for Gas to Liquid project at Escravos, Warri, Delta State, Nigeria; measured the Height, Diameter at Breast Height; calculated Basal Area and volume of the stand. Carried out the cash flow analysis of the hectare of the mangrove and determined the Cost-Benefit Analysis

2. Forest Policy and Economic Analyst (2002)

- Conducted observational and socio-economic survey on Biodiversity and Natural Resources Study for Niger Delta Development Commission (NDDC) Master Plan
- Collaborated and participated in multidisciplinary team of experts for the implementation of project

3. Forest Policy and Economic Analyst and Principal Investigator (2003-2006)

- Lead, supervised and coordinated multidisciplinary team of experts for the implementation of project.
- Conducted survey on 'Assessment of Joint Forest Management in Nigeria, Ghana and Niger Republic' while reviewing trends in Joint Forest Management to draw lessons that would ensure effective collaboration in Nigeria, Ghana and Niger Republic; examining the existing institutional arrangement and implementation framework for Joint Forest Management; examining benefit sharing mechanism, problems and conflicts under Joint Forest Management; recommending feasible policy options and strategies for sustainable forest management through dissemination of findings.

- Provided technical advice and operational support in developing and implementing project proposal, strategies, result frameworks, work plans, budget and logical framework approach
- Specifically in-charge of designing and managing implementation of the project in Nigeria, Ghana and Niger Republic.
- Coordinated and participated in field survey missions of Nigeria, Ghana and Niger Republic.
- Organised inception and stakeholders' workshops by fostering and maintaining contacts and good working relationships with governments, key government officials, representatives of donor and other development agencies to promote a common approach towards the goals of donor funded programmes and projects.

4. *Forest Policy and Economic Analyst and Principal Investigator* (2003-2006)

- Collaborated and participated in multidisciplinary team of experts for the implementation of project
- Conducted survey on 'Quality Assessment of Status and Trends in Forest Industries in Ghana, Nigeria and Cameroon' while examining installed machine capacity and operating capacity; investigating the factors affecting viability of sawmills and furniture works; and developing strategies and policy options for the enhancement of forest industries
- Provided technical advice and operational support in developing and implementing project proposal, strategies, result frameworks, work plans, budget and logical framework approach
- Participated in inception and stakeholders' workshops by fostering and maintaining contacts and good working relationships with stakeholders, governments, key government officials, representatives of donor and other development agencies to promote a common approach towards the goals of donor funded programmes and projects

5. *Forest Policy and Economic Analyst and Principal Investigator* (2004-2006)

- Principal scientist for the implementation of project
- Conducted survey on 'Incentives for Private Forestry: An Alternative to Public Forestry Programme in Southwest, Nigeria' while reviewing the past and present status of forestry development phases critical to the promotion of incentives for popular participation of private forestry in Nigeria; examining the subsisting forest policies that impact forestry development in Nigeria; investigating legal tenure status of the forests in the study areas; determining the magnitude of public and private forest investment in the Southwest Nigeria; identifying problems militating the governance of forestry sector; and examining various incentives for private forestry in the study locations.
- Provided technical advice and operational support in developing and implementing project proposal, strategies, result frameworks, work plans, budget and logical framework approach.
- Presented the findings of the project at international conference.

6. *Forest Policy and Economic Analyst and Principal Investigator* (2006-2009)

- Lead, supervised and coordinated multidisciplinary team of experts for the implementation of project.
- Conducted survey on 'Assessment of Conflicts among Forestry, Agriculture and Land Use Policies in Nigeria and Ghana' while reviewing existing forestry, agriculture and land policies and identify conflicting areas among these policies; verifying land scarcity in the landowning communities and evidence of encroachment in the forest reserves; identifying prevailing causes and effects of the conflicts in the study area; examining the effects of the policies on landowning communities and the extent to which the policies recognize and integrate landowning communities' concern in forest management; and recommending methods of resolution of conflicts among the governments, key stakeholders and the local land users on sustainable land use based on findings and proposed land use plan in forest and agriculture land areas.
- Provided technical advice and operational support in developing and implementing project proposal, strategies, result frameworks, work plans, budget and logical framework approach.
- Specifically in-charge of designing and managing implementation of the project in Nigeria and Ghana.
- Coordinated and participated in field survey missions of the two countries.
- Organised inception and stakeholders' workshops by fostering and maintaining contacts and good working relationships with governments, key government officials, representatives of donor and other development

agencies to promote a common approach towards the goals of donor funded programmes and projects.

7. Forest Policy analyst and collaborator (2007-2008)

- Collaborated and participated in multidisciplinary team of experts for the implementation of project.
- Conducted survey on ‘Pilot Study for Community Based Forest Management (CBFM) of Oso Forest Reserve in Iddo Local Government of Oyo State, Nigeria’ while conducting analysis of the institutional arrangements which have effect on CBFM activities; documenting the existing indigenous knowledge and capacity of communities to implement CBFM; assessing and documenting non-forestry activities; collecting information on threats and constraints to CBFM and proposing strategies for improvement; identifying the various stakeholders and their likely roles in CBFM; documenting the existing forest-based enterprises dependent on CBFM activities and evaluating their sustainability and commercial success; assessing the perception of members of communities on forest-based livelihoods and opportunities offered by CBFM to reduce rural poverty.
- Provided technical advice and operational support in developing and implementing project proposal, strategies, result frameworks, work plans, budget and logical framework approach.
- Participated in field survey missions of the project locations.
- Presenting the project proposal and final report for representatives of FAO and Federal Republic of Nigeria

8. Forest Policy, Environmental analyst and Team Leader (2008-2009)

- Lead, supervised and coordinated multidisciplinary team of experts for the implementation of project.
- Conducted survey on ‘*Environmental Impact Assessment and Mitigation Measure Study for the Proposed Integrated Sweet Sorghum Farm, Ethanol and Diesel Refineries, Electricity Power Generation and Vegetable Oil Plants in Arigidi-Akoko, Ondo State, Nigeria under the auspices of GLOBALBIOFUEL LTD.*’ while reviewing national policy, legal and administrative framework on Environment in Nigeria; establishing baseline condition of the existing environment (ecological, hydrogeological, socio-economic and health); identifying and assessing the potential positive and negative impacts likely to result from all phases of the project; recommending ways of avoiding or reducing impacts and incorporate appropriate mitigation measures; providing an appropriate monitoring and Environment Management Plan (EMP) and other relevant information necessary for environmental management decisions.
- Produced quality documentation and generated knowledge and understanding of the environment on ecological, social and health baseline status of the project area.

Conferences, Training, Workshop and Symposium attended with Papers

1. IITA/NMS 1996 NMS Biennial Conference, 24-25 October 1996, IITA, Ibadan, Nigeria
2. AAS and ISRA/CNRF CBFR Third Workshop Training and Symposium on 'Capacity Building in Forestry Research (CBFR)', *Institut Senegalais De Recherches Agricoles*, CENTRE NATIONAL DE RECHERCHES FORESTIERES, Dakar, 03-07 December, 2001, Dakar, Senegal
3. Capacity Building in Forestry Research (CBFR), 3-4 December, 2001. Training Workshop, 5-6 December 2001 Symposium, Dakar, Senegal
4. International Symposium on Agricultural Education organized by ANAFE-African Network for Agricultural Education, 14-16 April, 2003, Nairobi, Kenya
5. MacArthur Foundation on 'University-Industry Collaboration', 20-23 May, 2003. Conference Center, University of Ibadan, Nigeria
6. Workshop on 'Planning and Writing Grant-Oriented Research Proposals. 17-18 July, 2003, Postgraduate School, University of Ibadan, Nigeria
7. Workshop on 'Methodology of Basic and Applied Research, 01-05 November, 2004, Conference Center, University of Ibadan, Nigeria
8. Interlaken Workshop on 'Decentralization in Forestry United Nations Forum on Forests, 28 April-5May, 2004, Interlaken and Geneva, Switzerland
9. International Workshop on Small-Holder Timber Production, World Agroforestry Centre (ICRAF), United Nations Avenue, Gigiri, Nairobi, Kenya, 29 November to 1 December 2004.
10. Small-Holder Timber Workshop, 29 November-01 December 2004, World Agroforestry Center, Nairobi,

Kenya

11. International Stakeholders Workshop on Joint Forest Management Practices in Nigeria, Ghana and Niger Republic, 19-21 December, 2005, University of Ibadan, Nigeria
12. 2nd Workshop on 'Methodology of Basic and Applied Research', 22-26 May, 2006, Postgraduate School, University of Ibadan.
13. *The Third University of Joensuu-UNEP Course on International Environmental Law-Making and Diplomacy*, at the University of Joensuu, Finland and University of KwaZulu-Natal, Pietermaritzburg, South Africa, 26 June-7 November, 2006
14. First Global Workshop on 'Improving Forestry Education', 25-27 September 2007, World Agroforestry Center, Nairobi, Kenya
15. 2nd TWAS-ROSSA Young Scientists Conference in Africa on 'Mentoring Young Scientist for Innovative Applications of Research and Development in Africa', 3-5 December, 2007, Safari Club Hotel, Nairobi, Kenya
16. Conference on Research for Development in Forestry, Forest Products and Natural Resource Management, Akure, Nigeria, 16-18 April, 2008.
17. 3rd International Scientific Conference FORTECHENVI 2008, 26-30 May, 2008, Prague, Dorint Don Giovanni, Czech Republic
18. ANAFE Symposium and 5th General Meeting of Members, 28 July-01 August, 2008, Lilongwe, Malawi.
19. The 10th Biennial International Society for Ecological Economics Conference on 'Applying Ecological Economics for Social and Environmental Sustainability', 07-11 August, 2008, Nairobi, Kenya.
20. African Economic Research Consortium (AERC) 20th Anniversary Conference on 'Natural Resource Management and Climate Change in SSA', 15-17, September, 2008, UNEP Headquarters, UN Gigiri Complex, Nairobi, Kenya.
21. African Forest Research Network (AFORNET) Conference on 'Bringing Together a Vibrant Forest Community for Africa's Development', 15-16 February, 2010, Nairobi, Kenya.
22. Second Biennial Conference Forests and Forest Products 2010 on 'Climate Change and Forest Resources: The Way Forward', 15-16 April 2010, Akure, Nigeria.
23. United Nations World Environment Day 2010, Pittsburgh, North America, USA
24. Conference on 'Climate Change, Deforestation and the Future of African Rainforests', 3-6 January, 2012. University of Oxford, United Kingdom
25. Third Biennial Conference Forests and Forest Products 2012 on 'De-Reservation, Encroachment and Deforestation: Implications for the Future of Nigerian Forest Estate and Carbon Emission Reduction', 3-6 April, 2012. Ibadan, Nigeria.
26. 2nd Commonwealth Forestry Association, Nigeria Chapter, 2014 on 'Proposal Writing, Report Writing and Accountability', 15-16 September, 2014. Held at Forestry Research Institute of Nigeria, Ibadan, Nigeria.
27. 3rd Commonwealth Forestry Association, Nigeria Chapter, 2015 on 'Research Proposal Writing and Appropriate Statistical Tools for Analysis', 6-8 October 2015. Held at Forestry Research Institute of Nigeria, Ibadan, Nigeria
28. 5th Biennial Conference of Forests and Forest Products 2016 on 'Forest Management and the Challenges of Environmental Sustainability' 25-28 April, 2016. Held at Delta State University, Asaba Campus, Nigeria
29. 1st Commonwealth Forestry Association Conference 2016, Nigeria Chapter on 'Forestry and Allied Natural Resources Disciplines in Nigerian Institutions: Inputs for Future Solutions to Dwindling Forest Estate in Nigeria' 10-12 October, 2016. Held at Forestry Research Institute of Nigeria (FRIN), Jericho Hills, Ibadan, Nigeria
30. GUEST SPEAKER on a Theme: GREENING THE SCHOOL: A CHANGE MANTRA FOR SUSTAINABLE ENVIRONMENT on 29th November, 2016. Held at D.S. Adegbenro ICT Polytechnic, Itori-Ewekoro along Lagos-Abeokuta Road. Ogun State.
31. XIX Commonwealth Forestry Congress on 'Forests for Prosperity and Posterity', 3-7 April, 2017. Dehradun, India.

Countries Visited for Conferences, Workshops, Training and Sabbatical Leave
